OptConnect Makes Annual Inc. 5000 List of America's Fastest-Growing Private Companies For Third Consecutive Year

OptConnect moves up 271 positions on the 2020 Inc. 5000 list

(SILICON SLOPES, Utah) August 12, 2020 – OptConnect, an industry leader in managed wireless solutions, today announced that they have made the 2020 Inc. 5000 list, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses. Coming in at number 3,876 on the list, OptConnect's impressive year over year growth fueled a jump in more than 250 spots compared to last year's rankings.

"I am incredibly proud that we have landed on the Inc. 5000 yet again," said Chris Baird, President and CEO of OptConnect. "The amount of growth we've achieved over the last few years has been astounding and impactful to our business. As a company, we've worked hard to not only maintain that growth but to also exceed it. As we continue to innovate and do everything we can to simplify connectivity for our customers, recognition like this along the way means a lot to us."

Not only have the companies on the 2020 Inc. 5000 been very competitive within their markets, but the list as a whole shows staggering growth compared with prior lists as well. The 2020 Inc. 5000 achieved an incredible three-year average growth of over 500 percent, and a median rate of 165 percent. The Inc. 5000's aggregate revenue was \$209 billion in 2019, accounting for over 1 million jobs over the past three years.

"The companies on this year's Inc. 5000 come from nearly every realm of business," says Inc. editor-in-chief Scott Omelianuk. "From health and software to media and hospitality, the 2020 list proves that no matter the sector, incredible growth is based on the foundations of tenacity and opportunism."

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000.

The annual Inc. 5000 event honoring the companies on the list will be held virtually from October 23 to 27, 2020. As always, speakers will include some of the greatest innovators and business leaders of our generation.
